Volunteering and Community Work

Assistant Teacher at coderangers, April 2016—*present*
Code Rangers teaches your child to code - before and after school groups, holiday camps, and workshops
tailored to meet your school's needs. Fun, collaborative - come and learn, create, and explore. We put
kids in charge of technology.

Mentor at The Lab, June 2014—*present*
The Lab is a technology club for young people with AspergerâĂŹs Syndrome or High Functioning
Autism. It offers a safe social environment and tuition by technology professionals in areas such as pro-
gramming, digital design and gaming.

State Emergency Service, March 2012—June 2014
Qualifications: Senior First Aid, Storm and Water Rescue, Maintaining Team Safety, General Rescue,
Radio Operation, Introduction to AIIMS, 4WD Operation

Primary Ethics Volunteer Teacher, March 2013—December 2014
Deliver weekly ethics classes to Stage 3 students at Daceyville Public School

Shack Tutoring
Scheme run through ARC UNSW and Shack Youth Services at Maroubra to provide disadvantaged HSC
students with free tutoring
Tutor for several HSC students through 2008 UNSW academic year
